

Build Without Delays

Legal Solutions for Construction Companies

Your projects rely on people, contracts, and momentum. We provide legal support where it matters most—whether you're bringing in key workers, finalizing agreements, or resolving disputes.

What We Offer Construction Employers:

Immigration Services

- LMIA applications for foreign laborers.
- Intra-company transfers for executives and staff.
- Permanent residency pathways for valued workers.

Corporate & Commercial

- Contract drafting and review (employment, JV, subcontractors).
- Shareholder and partnership legal support.
- Business structuring and compliance.

Construction Litigation

- Dispute resolution for delays, unpaid invoices, or contract breaches.
- Enforcement of lien claims.
- Strategic legal support for active construction conflicts.

Why Construction Leaders Trust Us

We understand construction timelines, labour pressure, and the cost of delay. Our legal team works quickly, strategically, and with direct involvement from senior lawyers who know your industry.
